## RYNAT INDUSTRIES AUSTRALIA - Limited Conditional Warranty

Pertaining to Lockers and Bench Seating against breakage, corrosion and defects in factory workmanship when properly installed, used and serviced in the normal fashion.

This warranty is limited to repair or exchange of defective components and does not cover any damage resulting from breakage or otherwise caused by vandalism.

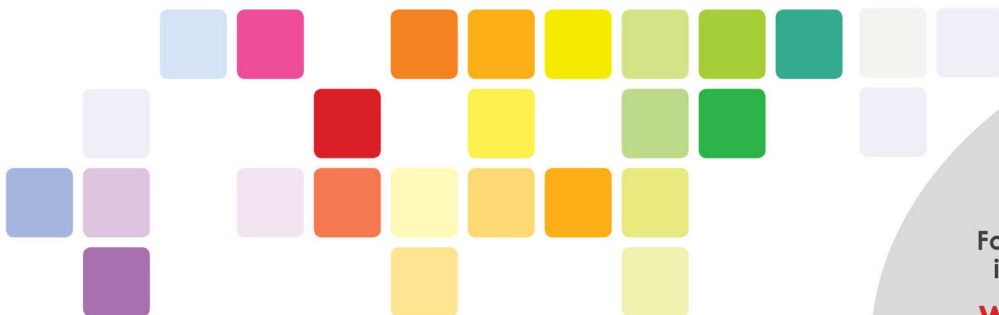

Warranty pertaining to electronic type locks, please refer to individual manufacturers' warranty.

In all instances, the purchaser's exclusive remedy is for the repair or replacement, at Rynat's option, of warranted defective product or parts. No other remedy (including but not limited to, damages for field labour charges, lost sales, injury to persons or property, or any other incidental or consequential losses) is available.

Illustrations and descriptions herein are applicable to production as to the date of this brochure. Rynat reserves the right and does from time to time, make changes and improvements in designs and dimensions.

Rynat Products are engineered to provide maximum strength and durability which lowers maintenance or replacement costs offering long product life span and low panel emissions for better indoor air quality hence substantially contributing towards your Green Star Credit Rating Points.
